

Portland's Only 100% Biodiesel Shuttle Service

The EcoShuttle™ vision is to revolutionize travel habits and reduce single occupancy commuting. Our belief that progress is the key to success drives us to utilize the latest in technology to bring the best of service to our customers, community, and our planet.

Environmental Awareness

- Reduce congestion and pollution
- Gain a competitive edge with responsible environmental practices
- Demonstrate to the general public and business community environmental accountability
- Employees increasingly align themselves with environmental awareness

"The often overlooked relationship is between our environment and our economy...in fact, a healthy environment helps us strengthen our economy..."

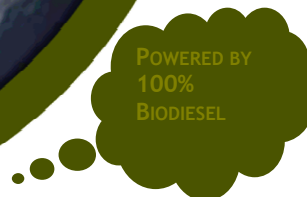

-Governor Ted Kulongoski

Save Some Green

The Environmental Commuter Options™ (ECO) Program focuses on offering a service that takes advantage of employer & employee tax incentives, reduces peak-hour congestion, parking problems and air pollution.

We tailor our routes to create park & ride EcoHub zones to efficiently pinpoint centralized locations to reduce employee miles driven by 65-98%.

EcoShuttle™ provides **free consultations** to employers & will walk you through the paperwork for your tax saving advantages.

Make Some Green

The ECO Program

Employer Benefits

- Save up to 35% with a business energy tax credit for commuter services and IRS pre-tax payroll tax deductions available for commuter services
- Parking problems virtually eliminated
- Great recruiting tool for new employees
- Improve employee productivity
- Ensure employees get to work on time and safely
- Enhance company image through environmental responsibility

"As much as it is a generous fringe benefit or an environmental gesture, the shuttle program is a competitive weapon."-NY Times

Employee Benefits

- Save up to \$315 per month in pre-tax payroll deductions with the IRS transit & parking benefit
- Save up to 30% on car insurance by utilizing alternative commuting
- Offset drive time and traffic-induced stress with an enjoyable experience
- WIFI for increased relaxation or productivity
- GPS tracking software and traffic-delay alerts to optimize route efficiencies
- Bike racks for commuter conveniences

***Extra perks include table trays, power ports, organic breakfast choices, eco-friendly dry cleaning service and coffee and tea options*

Wine Tours & Entertainment Shuttle

Enjoy a glass of wine as you soak in the picturesque landscapes of Oregon's wine country. EcoShuttle™ will guide the way on a customized tour or take you to some of our favorite sustainable vineyards. Visit Portland's famous breweries or experience Oregon's stunning coastline. Guided educational tours are also available.

All-In-One Shuttle Service

Plan a worry-free evening out. With our all-purpose shuttle service, we cater to your needs! We offer transportation for corporate outings, birthdays, casino trips, sporting events, conferences, weddings and special events. A to B service & airport shuttles are also available.
